PROGRAMMING EXPERTISE

Python
Developer

Expert in JSON and
file handling

Machine learning
and Data Sciences

OOPS(object oriented
programming) in
python

OTHER SKILLS

Proficient in English language

Expert in Communication
skills and leadership roles

ABOUT ME

My academic excellence and dedication to continuous learning have equipped me with the technical acumen and analytical abilities necessary to contribute effectively to any development team. As an aspiring Python developer, I bring a solid understanding of programming concepts, problem-solving skills, and hands-on experience in developing robust applications

ACHIEVEMENTS

PRACTICAL APPLICATIONS DEVELOPMENT USING PYTHON:

- ECAT Exam Application
- Encryption and Decryption Tool
- Tic Tac Toe 3D game (using Tkinter)
- An app : "Youcode" built as a group project(a desktop application which is used as an IDE built using custom tkinter and JSON file handling)

EDUCATION

UET Lahore 2023-2027

I am currently pursuing a Bachelor of Science in Computer Engineering at the prestigious University of Engineering and Technology (UET) Lahore. My academic journey has been marked by a strong foundation in computer science and engineering principles, complemented by outstanding achievements in my matriculation and FSc examinations.

Punjab College For Women 2020-2022

I completed my FSc from Punjab Group of Colleges .I passed my FSc Pre-Medical Exams with high distinction.Later on, due to personal preference, I chose Engineering as my core subject and passed the exams with excellent results.
